	Wheels, Natural	Wheels, Artificial	Rails	Snow
WPA	4	5	7	3
WPD_	10	12	15	5
WPDX_	15	18	25	10
WPDS_	20	23	35	15

Each leg must be *within* a given percentage bracket. *Pulling higher does not qualify for a lower title*.
Example: A wheels natural pull of 16.23% *only* qualifies for a WPDXW leg, and *not* a WPDW leg.
Wheels Natural and Artificial surfaces both count for Wheels titles.
Note – Non-novice dogs can only earn WPA if they haven't already earned another title.
